BIECCO LAWRIE LIMITED

INVITATION OF EXPRESSION OF INTEREST (EOI) FOR ENLISTMENT OF ELECTRICAL PROJECT CONTRACTORS FOR IN NORTH-EAST REGION

Biecco Lawrie Limited, a Central Public Sector Undertaking (CPSU) under the Ministry of Petroleum and Natural Gas, invites registered contractors / firms, executing electrical projects in North Eastern region of India, to enter into a 'Memorandum Of Understanding' (MOU) with the Company for working in a consortium or otherwise for execution of various Electrical projects in MV and HV power systems (up to 132 kV) as well as Railway substation works in the North-Eastern states of India. The states / regions of the North East where such consortium is solicited, are as follows :

1. Meghalaya.
2. Lower Assam Zone.
3. Central Assam Zone (including Barak Valley).
4. Upper Assam Zone.
5. Tripura.
6. Region under 'Eastern Electrical Zone' of Department of Power, Arunachal Pradesh.
7. Region under 'Western Electrical Zone' of Department of Power, Arunachal Pradesh.

The scope of works inter-alia covers:

- ❖ Pre-tender activities
- ❖ Participation in tender
- ❖ Financial capability to the extent required for execution of the project
- ❖ Joint execution of the project.

Intending parties should have adequate technical competence, proven track record on execution of orders in the above stated areas in last three years and sound financial strength.

They are free to apply for more than one of the regions listed above, provided they have a track record of business in last three years in all of the regions applied for.

Interested parties are required to declare the list of companies they already have an agreement with and the type of business handled jointly with them or on behalf of the subject companies. As on date of entering into an M.O.U. with Biecco Lawrie Limited, they should not have a similar agreement with any other company involved in any one or more of the under-mentioned businesses :

1. Turnkey Electrical projects;
2. Hydro-electric power plant projects;
3. Medium voltage switchgear manufacturing.

Upon receipt of EOI the Company will short-list the parties and enter into suitable arrangements / agreements with them for executing upcoming project jobs in the areas as stated above.

Interested parties are requested to submit their EOI in a sealed envelope, super-scribing on the Envelope "EOI for Electrical Project jobs" to
